Wedding / Special Occasion Photos at Providence Public Library

Providence Public Library welcomes brides and grooms, newly engaged couples, families, and others to utilize our Grand Marble Staircase to make your memorable photos! Our spaces are available for photos when the Library is open and not otherwise booked for a wedding reception or other event.

To inquire about a date, please use the [Meeting Space Rental/Reservation Inquiry](#) form.

The fee for renting the Library's Grand Marble Staircase and Balcony for photos is \$200 for one hour. We ask for a non-refundable deposit* of \$100 to hold the date with the remainder payable three days before.

*** Please Note:** In the event that the date you are inquiring about is open, the Library will place your name in our calendar upon your request. However, should the Library receive a booking for a full wedding or other event that conflicts, such a booking will take precedence over a Photo-only booking. (Should we have to contact you in the event of a priority booking, your deposit is entirely refundable.)
