

Type in your search and it will suggest possible other searches

### Breakdown of a search result

Below are some of the most basic features Google has to offer. They are located at the top left of the

Many of the options on the right are discussed below

Note: Some features are a bit hidden To see a complete list click more and then **even more**

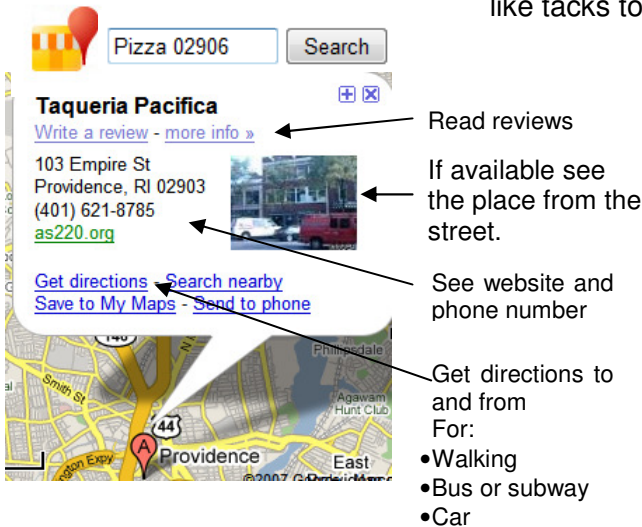

### Spelling

When you do a search don't worry about the spelling. If it is close Google will offer a suggestion. Just give it a click

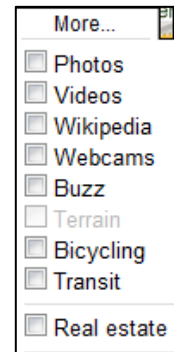

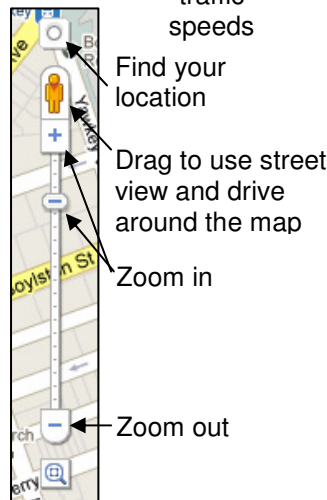

### Maps and Local searches

By typing in a local search like the one below it will bring up a bunch of choices. Click on any of the balloon like tacks to see it located on the map

See current traffic speeds

Simple view   Bird's Eye view   Detailed view

The More section has a ton of choices from photos to live views and Wikipedia entries. Give them a try!

## Even More ways to search

For the most part type in what you see and it should work

Music, type in a band

 **▶ They Might Be Giants**

- [▶ Birdhouse In Your Soul](#) - Flood - 2010 - 3:21
