

**TEEN SQUAD**

# Rhode Coders 2.0 - HTML/CSS

An educational initiative of Providence Public Library

## Learn the Code Behind the Website

Have you ever wondered how websites like Wikipedia and Tumblr were created? Or how you're able to order a pizza on Dominos.com? We will help you dig into the code and ultimately learn how to build your own website.

## Who Can Participate

Teens in grades 9 - 12. No coding experience needed but if you have some, we'll welcome you too.

## When and Where

Tuesday and Thursday, 3 - 5 pm, September 18 - December 18  
Providence Public Library, 150 Empire Street, Providence, RI 02903

**REGISTER AT: [RIDE.GOSIGNMEUP.COM](http://RIDE.GOSIGNMEUP.COM)**

## Earn High School Credit

Participants in grades 9 - 12 have the opportunity to earn .5 of a high school credit through the Rhode Island Department of Education (RIDE)'s Advanced Coursework Network initiative.
