

## Learning Lounges and Learning Resource Centers

Experienced teachers assist adults in using digital resources to improve reading, writing, math, English language, computer skills, and take Digital Literacy assessments, GED, TABE, and CASAS testing. No appointment or registration necessary. All services are free.

Many locations offer one-on-one appointments with a Career Coach for assistance with employment related services such as job searches, resumes, cover letters and preparation for interviews. For individual appointments, call 753-4546 or email Andjela at [akaur@riral.org](mailto:akaur@riral.org).
