Following current COVID-19 safety guidelines, we will be offering our summer reading and learning resources online.

What is the Passport to Summer Learning?

- Passport to Summer Learning is an initiative of PPL and PCL in partnership with PPSD and the Office of the Mayor to connect elementary students with learning and enrichment opportunities throughout the summer to mitigate summer learning loss.
- PPSD data analysis has shown that this program has had significant positive outcomes for early literacy students (K-2) especially - a strong start in the early years may provide stronger readers by 3rd grade and beyond
- In summer 2020 Passport will be virtual with the [website](#) updated to reflect additional resources, online content from Passport partners
