

# Children's Summer Learning

## FAQ's

**Q: Where do I sign up?**

**A: No registration required!**

**Q: What about Beanstack?**

**A: We're going analog so Beanstack is not required this year. We will check each week before the raffle in case someone has been logging and is eligible for the drawing.**

**Otherwise, just paper tickets for prize raffles.**

**Q: How do I get tickets /earn prizes?**

**A: Any meaningful interaction with summer learning at the library earns you a ticket. That could be stopping by the Children's Room to talk about books, participating in a drop in program, or going to an Open Studio in the Workshop.**

**Q: When are the prize drawings?**

**A: Mondays beginning 6/30 - 8/18**

**Q: Is this happening at all Providence libraries?**

**A: Every library has summer learning opportunities, but activities and prizes are different at each library. You can participate at as many libraries as you like.**

**Q: Is there a grand prize like last year?**

**A: Yes! Two laptops will be raffled at the end of the summer. This is the one citywide raffle and includes all participants from previous raffles at each library.**
